

PARTICIPANTS NEEDED for a survey on music listening with a hearing impairment

**Win one of three £75
cash prizes!**

We are conducting research into the music listening behaviour of people with all levels of deafness: Mild, Moderate, Severe and Profound.

We need as many participants as possible to take part in our on-line survey.

To participate you will have

- **have a confirmed hearing loss** (e.g. mild, moderate, severe or profound),
- **wear hearing aid(s)** (but NOT a cochlear implant),
- **are between 18-90 years old**

BSL translations of all the information and questions are available

It should take about 40 minutes to complete

Leave your contact details and you be entered into a **prize draw to win one of three £75 cash prizes**. Winners will be selected at random and notified in JANUARY 2017.

If you are interested in taking part, please go to:
