

Curriculum Vitae

Please use the template below to describe your work experience, relevant courses and education.

Insert Name

Evidence of Contribution:

The following categories align with the Fellowship criteria for each of the four Fellowship levels. These are highlighted in the Application process document which can be found on the BSA website. Applicants are reminded to clearly state evidence relevant to the level of Fellowship they are applying for.

Applicants are reminded to record evidence from contributions that have taken place within the last 5 years but significant contributions/ achievements made outside of this time frame may also be considered.

This form cannot be edited and applicants are advised to leave sections blank if they do not have evidence to add. Applicants are reminded to cross reference the evidence provided below with their personal statement document.
